Brookings-Harbor Voices – Bruin Pride

Hi, this is Sean Gallagher – Brookings Harbor School District 17C Superintendent here to update the community on an exciting program that has been implemented at Brookings Harbor High School called Bruin PRIDE.

This program describes a set of values for all students and staff to continually strive for in everything they do on a daily basis in regards to creating a wonderful educational environment using:

- Perseverance
- Respect
- Integrity
- Diversity, and
- Excellence

Did you notice that the PRIDE acronym correlates perfectly to Perseverance, Respect, Integrity, Diversity, and Excellence?

Bruin PRIDE is also not just a BHHS program, it is a reflection of the Brookings Harbor community and extends into all school sponsored public events. As a result, it is important that as a Superintendent I recognize some of the related outcomes that are happening at BHHS as a result of Bruin PRIDE.

Attendance Rates: This is a topic that has been a difficult challenge, but BHHS has set a goal of above 90% attendance for all grades 9-12 students. Most recently they have achieved an attendance rate of 93% and are continuing to use Bruin PRIDE as the foundation for maintaining this goal.

Tardiness: Closely related to attendance rates is being on time for class, ready to learn. BHHS has decreased their tardy rates by over 50% this year.

It is important to continually recognize great achievements that are regularly occurring within our school district, Bruin PRIDE reaches to many aspects of school improvement, congratulations to all for their hard work and dedication as we continue to ensure that Every Student Can Succeed here at Brookings Harbor School District.
