Brookings-Harbor Voices PSA – School Preparation

Hi, this is Sean Gallagher – Brookings Harbor School District 17C Superintendent here to talk to you about the start of the 2016-17 school year and upcoming key dates. First, I would like to extend a huge thank you to our wonderful community for their continued support. It is amazing to me to watch those in the community step up to the plate to help out our students through volunteering of their time and/or donations. This legacy of supporting our schools is what makes our community a great place to live and educate our students. Speaking of legacies, a big thank you to KURY radio for their sponsorship of the upcoming community breakfast celebrating the start of the school year and the Stuff the Bus program. They are a great example of a strong partnership with the school district.

Please keep in mind that August is the time that activities really increase in preparation for the new school year. Fall sports activities are starting, buildings are in their final preparations for the arrival of students and staff, grounds and maintenance projects are concluding, and teachers are starting to think about returning to the classroom. Please be aware that you will be seeing increased activities around the school district campus throughout the month of August, please watch for pedestrians, observe crosswalks and street signs, and maintain a careful presence as you drive your vehicle around the campus. Safety is always the first priority and sometimes students are still learning to observe safety procedures, watch for those incidentals.

Other key dates are:

1. New Teacher Inservice Day Friday August 26
2. District Inservice Week Mon-Fri August 29 – Sept 2
3. School starts for students Tuesday Sept 6

Again, thank you to everyone for their continued support and remember, that only together we can ensure that Every Student Can Succeed here at Brookings-Harbor School District
