**Brookings-Harbor High School student work, creativity
on display at Showcase and Sale May 20**

FOR IMMEDIATE RELEASE - May 2, 2017

The community is invited to a Student Showcase and Sale from 9 a.m. to 2 p.m. Saturday, May 20, at Brookings-Harbor High School.

Highlights will include a second annual student plant sale located at The Bridge Garden with heirloom garden vegetable starts. The BHHS Garden Project got an early start on seed sowing this year and has more than 400 heirloom tomato plants for sale, as well as many other plant starts. In addition, there will be cabbage, kale, lettuce, peppers and many other vegetable options.

The day will also be a celebration of the creativity and entrepreneurship of students participating in art, music, design, science, technology, manufacturing and making classes - such as Culinary, Welding, Technology and Art. BHHS Child Development students will be on hand for face painting, balloon animals and cotton candy snow cone sales. Proceeds from all items sold will earn money for additional classroom projects for each program.

Students from the various high school choirs will serenade the crowds from 1 to 2 p.m.

In the event of rain, the event will move into the adjacent BHHS cafeteria. Both the cafeteria and the garden are located at the rear of the Brookings-Harbor High School Parking lot. For more information about the event, please call (541) 469-2108.
