Exclusion date for incomplete immunization records approaches

FOR IMMEDIATE RELEASE - Jan. 10, 2018

It's time to make sure that your student's immunization record is up-to-date. Important immunization exclusion dates are coming up for the Brookings-Harbor School District.

According to District Nurse Patricia "Trish" Walker, a report will be submitted to Curry Community Health on Jan. 17, 2018, listing students who have an incomplete record.

After repeated mailings and notices this fall, the district had 108 students with incomplete immunization records at the start of January 2018.

The health department will review the report and send out exclusion orders to parents/guardians. These orders will be mailed on Feb. 7, 2018.

The immunization exclusion date for Brookings-Harbor schools is Feb. 21, 2018, which is the statewide exclusion date in Oregon. On and after that date, students with incomplete records will be excluded from school until the requirement is met and the school district is provided documentation showing that it has been met.

Immunizations can be obtained at the following places:

School Based Health Center

(541) 251-7076

6 25 Pioneer Rd., Brookings

Tuesdays and Wednesdays

8 a.m. to noon by appointment

Curry Community Health - Brookings

(541) 813-2523

615 5th St., Brookings,

Fridays only

8 a.m. to 11 a.m. by appointment only

1 p.m. to 3 p.m. walk-ins welcome

Those who choose not to immunize their students, must complete a two-step process. Parents or guardians must complete an online education course and provide the District Nurse with a certificate that is obtained after completing the course, and they need to come to their child's school and sign the backside of the "Certificate of Immunization Status," and complete the "Non-Medical Exemption" portion.

For questions, please contact District Nurse Trish Walker at Kalmiopsis Elementary School (541-469-7417) or via email at patriciaw@brookings.k12.or.us.
