ARTICLE 12 – DISCIPLINE AND DISCHARGE

- A. No classified member shall be dismissed, and no member shall be reprimanded, suspended, reduced in rank or compensation without just cause and without first being informed of the charges in writing, and given an opportunity to meet with the charging party and respond to those charges. If the member chooses to respond, the response shall be in writing. After a decision is finalized, the member shall be given a written summary of the decision.
- B. If the member disagrees with the final administrative decision in Section A, he/she may enter the grievance procedure and may process that grievance through final resolution if he/she so desires, unless the action involves an action which is appealable to the Fair Dismissal Appeals Board, in which case the Board shall be the final step in processing a grievance.
- C. A teacher who is dismissed, non-extended or non-renewed may challenge the District's action under ORS 342.805 to 342.930. However, if both the School Board and the teacher's representative agree, arbitration of the teacher's dismissal, non-extension, or non-renewal may be used as an alternative to action under ORS 342.805 to 342.930. In such case, the decision of the arbitrator shall be final and the parties expressly agree to waive their rights under ORS 342.805 to 342.930. If the teacher and the District agree to employ arbitration, the arbitrator shall use the same reasons, rules and levels of evidence as are required for the Fair Dismissal Appeals Board under ORS 342.805 to 342.930.
- D. A contract teacher's "highly qualified" status under the ESEA shall not be the sole basis for his/her non-extension or dismissal. Where a contract teacher is involuntarily transferred into a position for which he or she is not "highly qualified", his or her "highly qualified" status shall not be considered at all for non-extension or dismissal.
- E. Professional conduct is a mutual responsibility of members and administrators. Discussions with individual employees regarding their professional performance shall be conducted in a professional manner.
- F. Sections A, B and C of this Article shall not apply to the non-renewal or dismissal of a probationary member.

ARTICLE 13 – GRIEVANCE PROCEDURE

A. **Definitions.**

1. **Grievance.** A grievance is a claim by an aggrieved member based upon interpretation, application or violation of this Agreement or school district policy. Notwithstanding the procedure provided in this Article, the final appeal of any grievance alleging violation of a school district policy shall be to the School Board, whose decision shall be final and binding upon the parties.
2. **Grievant.** An aggrieved person is the member(s) or the Association making the claim.
3. **Days.** Work days, except as qualified by “year-end grievance”, in which “days” shall mean calendar days.
4. **Party in Interest.** The “party in interest” is either the person or persons making the complaint or the person or persons against whom the complaint is made.
5. **Representative.** “Representative” is the one who may speak for and/or advise a party in interest.
6. **Consultant.** “Consultant” is the one who advises either party in interest.
7. **Immediate Supervisor.** “Immediate supervisor” is the one who has direct administrative or supervisory responsibilities over the aggrieved in the area of grievance as stated in School Board policy.

B. **Purpose.** The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may, from time to time, arise affecting members. Both parties agree that these proceedings shall be kept as informal and confidential as may be appropriate at any level of procedure.

C. **Procedure.**

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum. Efforts shall be made to expedite the process. The time limits specified may, however, be extended by mutual written agreement.
2. All parties in interest have a right to consultants or representatives, and may be represented at all stages of the grievance procedures by a representative selected or approved by the Association.

3. There shall be no restraint, interference, discrimination or reprisal exerted on any member choosing to use these procedures for resolution of these contract grievances.
4. Failure at any level of this procedure by the grievant to appeal a grievance to the next level within the specified time limits shall be deemed to be acceptance of the decision rendered at the level. Failure at any level of this procedure to communicate the decision in writing on a grievance within the specified time limits shall permit the grievant to proceed to the next level.
5. All documents, communications and records dealing with the processing of a grievance shall be filed in the School District office separately from the personnel files unless final resolution of the grievance requires adjustment of documents in the personnel files.
6. In the course of investigating any grievance, representatives of either party in interest who need to contact a member in school shall contact the building supervisor of the building visited and shall state the purpose of the visit immediately upon arrival.
7. All parties in interest shall process grievances after the regular workday or at other times which do not interfere with assigned duties or school activities.
8. If, in the judgment of the Association, a grievance affects a group or class of members, the Association may submit such grievance in writing to the Superintendent directly and the processing of such grievance shall be commenced at that level.
9. **Year-end Grievances.** In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, the time limits set forth herein shall be reduced and agreed upon by the parties so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is possible under the agreed upon timelines.
10. **Generally.** All meetings and hearings under this provision shall be private, at the grievant's option, and shall include only such parties in interest and their designated or selected representatives, heretofore referred to in this Article. Meetings and/or hearings required at Level IV by this article will be in compliance with the Public Meetings Law.

Level I.

The grievant shall, within fifteen (15) days of the occurrence of the alleged grievance or when the employee had knowledge of the violation discuss the grievance with his immediate supervisor with the objective of resolving the matter informally.

Level II.

- a. In the event the problem cannot be resolved by informal means, the grievant shall present the grievance in writing to the immediate supervisor (who has administrative authority to act) within ten (10) days following the conference.
- b. The written statement of the grievance shall include the specific section of this Agreement alleged to have been violated, the circumstances and dates involved, and the remedy sought.
- c. The immediate supervisor shall make a decision in writing and then communicate the decision together with reasons to the grievant within five (5) days after receiving the grievance.

Level III.

- a. If the grievant is not satisfied with the decision at Level II or no decision is rendered within the required time periods, within ten (10) days from either receipt of the supervisor's decision or date when the decision was due, written appeal may be taken to the Superintendent.
- b. The Superintendent or designee shall conduct a hearing within ten (10) days of receipt of the appeal, giving the parties five (5) days' written notice of time and place. At the hearing, the Superintendent or his/her representative shall hear from the grievant and/or his representative, take testimony of witnesses and allow evidence to be submitted for the record.
- c. Within five (5) days of hearing, the Superintendent or his/her representative shall communicate to the grievant and to all other parties officially present at the hearing his written decision, which shall include supporting reasons therefore.
- d. If the grievant is not satisfied with the decision of the Superintendent, he/she may file a written appeal with the Superintendent within five (5) days from the receipt of the Superintendent's decision. The appeal shall state the grievant's

reasons for appealing the decision of the Superintendent and request appeal to Level IV, School District Board of Directors.

Level IV.

Within five (5) days of the appeal, the School District Board of Directors shall notify all official parties of the hearing to be held within fifteen (15) days of the receipt of the appeal. The Board of Directors shall hear arguments of the Superintendent and the grievant.

The Board retains the option of waiving the hearing at Level IV and the Association may then proceed directly to Level V (arbitration).

Level V.

- a. If the grievant is not satisfied with the disposition of his/her grievance at Level III, or if no decision has been rendered within five (5) days after the grievance has been heard by the Superintendent, the grievant may within five (5) days of receipt of the Superintendent's decision or date when the decision was due request in writing that the Association submit his/her grievance to arbitration.

If the Association so determines, it may, by written notice to the Superintendent within ten (10) days after receipt of the request from the grievant, submit the grievance to binding arbitration. If any question arises as to whether a particular dispute involves the interpretation, meaning or application of any of the provisions of this Agreement, such question shall first be ruled upon by the arbitrator selected to hear the dispute. Except as otherwise expressly provided by the Agreement, the arbitration shall be conducted in accordance with the Voluntary Labor Arbitration Rules of the American Arbitration Association in effect at the time (hereinafter referred to as the "AAA Rules").

- b. Within ten (10) days after such written notice of arbitration, the Superintendent and the Association shall attempt to agree upon a mutually acceptable arbitrator and to obtain a commitment from such arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the ten (10) period, a request for a list of arbitrators may be made to the Employment Relations Board by either party. The parties shall alternately strike names to select an arbitrator. The parties shall flip a coin with the prevailing party striking second.

The arbitrator so selected shall confer with the representatives of the Superintendent and the Association and hold hearings promptly and shall issue his decision not later than thirty (30) days from the date of the close of the hearings or, if oral hearings have been waived, then from the date the final statements and proofs are submitted to him/her. The arbitrator's decision shall be in writing, and will set forth his/her findings of fact, reasoning, and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law.

The arbitrator shall have the authority to consider only a claim based upon a specific provision of this contract and shall have no authority to add to, modify or detract from this contract. The decision of the arbitrator shall be submitted to the Board and the Association and shall be final and binding upon the parties.

- c. The costs for the services of the arbitrator, including per diem expenses, if any, and travel and subsistence expenses and the cost of any hearing room shall be borne equally by the District and the Association.

D. **Financial Responsibility.** Each party shall pay any and all costs incurred by said party.

E. The grievant or the Association shall first exhaust the grievance procedure, including arbitration if available before referring the issue to the courts or other agency having the appropriate jurisdiction.

ARTICLE 14 - COMPLAINT PROCEDURE

- A. If a complaint is made against a teacher to the administration, such complaint shall be processed under the following circumstance.
 - 1. If the principal intends to place a record of such complaint in the teacher's personnel file;
 - 2. If, in the principal's judgment, such complaint is sufficiently relevant to the employee's performance as to indicate the desirability of a conference.
- B. Pursuant to Section A, above, a conference shall be held with the member within five (5) working days after a complaint is made to the administration by a parent, student, member or other individual. In the event either the member or supervisor is absent, this deadline shall be extended by the period of the absence.
- C. The administration shall request a meeting of the complainant and the member to informally resolve the complaint or determine its validity. If the complainant refuses to meet with the member, the administration shall advise the member of the identity of the complainant and shall review the complaint with the member. Any such complaint which the administration chooses not to discuss with the member or which is not discussed with the required time shall not be considered in the member's evaluation and shall not be used against the member in any subsequent action the District.

- E. No such documents or other material shall be placed in the personnel file of such members after severance without the member's knowledge.

ARTICLE 17 – VACANCIES, PROMOTIONS AND TRANSFERS

The District recognizes that it is important, in making assignments, to consider the interests and aspirations of its staff members.

The language in this section applies to assignments within the bargaining unit. Assignments are considered the area of work assigned (e.g. grade level, subject area, or classification) and/or the location/building assigned (e.g. cafeteria, bus garage, high school, etc.)

Transfers are considered changes in an employee's current assignment to a different assignment.

I. Vacancies and Voluntary Transfers

- A. All vacancy postings shall be sent to all employees via District Email. Employees shall have five (5) working days to provide written contact to the District office of their desire for the position and their qualifications.

Such statement will include the assignment to which a member desires to be assigned and the school or schools to which he desires to be transferred, in order of preference.
- C. Upon request, the member who is not assigned the position shall be given a written explanation of the reasons for not being selected.
- D. In acting on requests for voluntary transfer and in filling a vacancy, the District will apply the following criteria to select the best candidate:
 - 1. Approval of the Superintendent or designee;
 - 2. Individual qualifications, including highly qualified status, when relevant;
 - 3. Staffing level needs;
 - 4. Seniority; and
 - 5. For TSPC licensed staff, licensure.

- E. Upon timely application, qualified employees shall be guaranteed an interview along with external candidates.

- B. If and when an involuntary transfer is made, the Superintendent shall notify the affected member and the Association in writing as soon as possible of the pending transfer and of the reasons for such a transfer. That member may request a meeting with the Superintendent at which time the member will be given the opportunity to suggest alternatives.
- C. For a period of three (3) contract years following an involuntary transfer, employees may submit an annual request (no later than February 1st) to the District office to be notified of specific job openings. - E. An employee who is involuntarily transferred shall not suffer a loss of wages, fringe benefits, or other rights guaranteed by this Agreement.

ARTICLE 18 – LEAVES

A. Sick Leave.

1. a. Each member shall be granted one (1) sick leave day per month or, twelve (12) days' sick leave for the school year at full pay for personal illness or injury. Such leave shall be credited on the first day of the fall semester, but earned at the rate of one (1) day per month. Should an employee leave the District during the school year having used more sick leave days than earned, an adjustment equal to the unearned days used shall be made in the final paycheck. Employees who work for twelve (12) months will receive fourteen (14) sick leave days per year. Partial months shall not be considered.

2. Sick leave not taken shall accumulate without limit.
3. Family Leave. The District will comply with applicable state and federal laws and regulations. (See staff handbook and/or Board policy).

This shall not pertain to days donated to the sick leave bank.

B. Sick Leave Bank.

1. Purpose: The purpose of a sick leave bank is to provide a safety net for employees who face long-term serious illnesses, have exhausted sick leave and do not qualify for long-term disability or worker's compensation benefits. Such leave shall be verified with a doctor's statement certifying

a life-threatening or debilitating physical or mental illness or injury preventing the member from performing the duties of his/her job for more than ten (10) days.

2. Beginning July 1, 2001 all bargaining unit employees who wish to participate in the bank must donate one sick leave day to the bank by September 30 of each school year by completing the appropriate form (See Sick Bank Participation Form) and forwarding it to central office. Only those employees who donate one sick leave day are eligible to access days in the bank.
3. When a participant faces a long-term serious illness (over ten (10) consecutive work days) which a doctor has verified is a life-threatening or debilitating physical or mental illness or injury preventing the member from performing the duties of his/her job, has exhausted his/her sick leave and is not collecting worker's compensation or long-term disability, he/she can request days from the bank. The first twenty (20) days shall be compensated at full pay and the next ten (10) days shall be compensated at half the employee's daily rate, subject to the total hours in the bank.
4. Prior to requesting leave from the bank the employee must have exhausted all accumulated paid leave.
5. The District shall require a physician's statement prior to the granting of bank days. Only the lack of medical verification, failure to exhaust appropriate accumulated leave or receipt of other salary reimbursement benefits shall be used to deny a request for sick leave bank days, subject to the total hours in the bank.
6. By October 15 of each year, the District shall notify the Association in writing of the number of days donated to the bank. By June 30 of each year, the District shall notify the Association in writing as to the number of the unused days in the bank. These days will accumulate and be available in the bank the following year. The Association may request records regarding the status of the bank at any time during the year within a reasonable amount of time.

When a member is appearing as a party or witness in litigation brought by the Association against the District, such leave will be without pay.
- D. **Professional Leave.** Licensed members may obtain professional leave to attend conferences, professional observations, workshops, conventions, and visitations to other systems or schools. Professional observations will require a prior approval. Such professional leave is to maintain and improve professional competence and proficiency. Recommendation for each grant of leave shall be made to the Superintendent by the building principal. The decision of the Superintendent is final and binding on the parties.
- E. **Association Leave.** Up to ten (10) days per year of professional leave time for the entire Association may be taken for Association business with the cost of the substitute paid by the Association.

 3. The request for the personal business leave shall be presented in writing at least twenty-four (24) hours in advance.
 4. Personal business leave days taken require an explanation. An acceptable explanation shall be that the leave is to be taken for personal reasons not of a recreational nature that cannot be conducted on a non-duty day. Personal business Days cannot be used for second employment opportunities; however, they may be used for job interviews.
- G. **Unpaid Leaves of Absence.** Members may be granted unpaid leaves of absences other than those above by the District. Such leaves shall guarantee the return to a similar position except in emergency situations which require a reduction in staff.

A leave of absence without pay may be granted for up to one (1) year provided that:

1. The member has at least three (3) years of service in the District.
2. The request for leave is submitted in writing to the Board by April 1 of the year prior to the year for which the leave is requested.
3. The reasons for the leave are stated.
4. The building principal approves the request.

Generally, requests for short-term, unpaid leaves of absence shall not be granted by the District. Case-by-case exceptions shall only be made in emergency situations, or when there are serious and extenuating conditions, in the discretion of the Superintendent.

ARTICLE 19 - COMPENSATION

I. Licensed and Classified Benefits

A. Insurance.

1. The District shall make available the following insurance coverage for each employee who works twenty and one-half (20.5) regularly scheduled hours or more per week.

The Association shall select health, dental, and vision plans from the OEGB available plans each year, however, one of those plans will be the health savings account (HSA) plan but the District obligation for the cost of insurance is limited to the maximum amounts for the insurance. The District shall contribute \$975 per month effective October 1, 2014, \$1010 per month effective October 1, 2015, and \$1045 per month effective October 1, 2016, toward the purchase of the selected plans.

For employees who enroll in the HSA plan that are under the District maximum contribution, the difference between the cost of the premium and the cap, not to exceed \$300.00 per month, will be deposited into the HSA.

Beginning October 1, 2014 the District will contribute an additional sixty dollars (\$60) per month into an HSA for any employee selecting a HSA compatible plan who has not already met the \$300.00 contractual CAP. For those who select insurance under the District monthly CAP, but who have already met the \$300 per month CAP, the \$60.00 shall be added to the insurance pool to reduce out-of-pocket premiums for other unit members participating in the insurance program. Should any employee select a HSA compatible plan and be under the District monthly CAP but be unable to have the \$60.00 added to his/her account each month due to American Fidelity or federal HSA restrictions, the \$60.00 will be placed into the insurance pool outlined in Section 2 below. Under no circumstances will the District be expected to contribute or pay above the federal IRS maximums.

The District shall make the insurance benefit described in this section available to District bus drivers who are paid for fifteen (15) or more hours per week. The District shall contribute 70% of the District cap for such coverage. This group will be included in the District pool.

2. Should the selected insurance coverage(s) be available and priced on a tiered basis and should any plan's premium cost be less than the negotiated monthly contribution, the difference between the premium costs which fall below the District's monthly contribution cap will be equitably applied to members electing coverage exceeding the District's monthly contribution.

If the total cost of the plans and coverage(s) selected is less than the total monthly maximum cap times the actual number of participating eligible bargaining unit members, the excess dollars shall be maintained in a Special Insurance Pool Fund to be set aside for future insurance costs. If the total cost of the plans and coverage is more than the total District's maximum contribution, then the level and amount of out-of-pocket expenses for each level of participating member, if any, will be determined by the Association.

The specific monthly contribution for single, employee plus spouse, employee plus children, or family coverage(s) must be selected no later than September 15 of each year.

3. On or about September 15 of each year, if pooling is to be implemented, the District will compute the total pool available based upon the number of employees and the plans selected by the employees. At the beginning of the 2008-09 school year an initial \$5,000 shall then be subtracted from that pool and set aside to cover any increase in costs that are later occasioned by changes in the employee census, changes in the benefit selections made by the employees, or if there should be any changes initiated by OEBC during the school year in question. Any increases in cost that are occasioned by such changes shall be "debited" against the \$5,000 account. Any reductions in cost that are realized will be "credited" to the \$5,000 account. At the end of the year, this "set aside account" will be carried over and supplemented from the new pool if below \$5,000 to be maintained at the initial \$5,000 level; excess dollars over the \$5,000 will be added to the Special Insurance Pool Fund. (The amount of this annual set aside shall be subject to negotiations between the District and the Association.)
4. Any member who elects not to enroll in some or all of the benefit plans available under the OEBC-sponsored benefits program, and thus waives benefits, is not eligible to receive any portion of a cash contribution or other type of remuneration. In the event of such a waiver, the District's contribution will be added to the Association's pool.
5. Individuals on unpaid leave and retired District employees shall be allowed to continue any or all of the above insurance programs by

paying the premiums themselves, subject to approval by the insurance carrier.

6. Employees that are covered by other health insurance may waive the health insurance coverage provided under this Article upon notice to the District during the open enrollment period, within the terms, restrictions, and conditions established by the insurance carrier. Employees covered by health insurance other than that provided by the District may waive medical insurance only and continue to receive dental and vision insurance under the District health insurance plan. Employees double covered by the District health insurance may waive the entire health insurance package.

In the event the number of employees requesting to waive benefits exceeds the number allowed by the carrier, selection of employees allowed to waive will be made on a lottery basis.

B. Salary Payments and Deductions.

1. Any member who so desires may sign a form authorizing the District Clerk to deduct the membership fees for the Association. Such authorization shall continue from year to year unless a notice of revocation is submitted to the District Clerk.
2. Upon written request, the member may have deducted an appropriate remittance for any of the following: savings bonds, credit union, insurance, Oregon Education Association Foundation and/or annuity plans. If the financial institution that the District uses is compatible with and allows for a direct deposit, then the District will provide that as an option for the employee.
3. Upon written request prior to September 10 of any school year, a member may select a regular mid-month draw option (on the 15th of each month) which will provide payment of \$500 for licensed employees and \$250 for classified employees. The amount shall remain the same each month of that year.
4. Paydays shall be the last working day of the month. Summer checks, except for twelve (12) month employees, shall be given to the member in a separate check on the last day of the school year.
5. Any balance due a member not returning to the District shall be paid on the last day of the school term unless otherwise provided by a written consent of the member.

C. Salary Schedule Maintenance and Advancement.

The amount of required employee contribution “picked-up” or paid by the District on behalf of employees shall be considered as “salary” within the meaning of the law for purposes of determining an employee member’s “final average salary” within the meaning of the law, but shall not be considered as “salary” for the purposes of determining the amount of employee contributions required to be contributed pursuant to the law. Such “picked-up” or paid employee contributions shall be credited to employee accounts pursuant to the law and shall be considered employee contributions under the law.

- E. Emergency Closures.** In the event of a situation beyond the control of the District which requires the closing of one or more or all of the schools, the school year may be extended to compensate for the number of days lost in such school or schools, after allowable emergency days are exhausted, at the discretion of the District, with no additional pay to licensed staff in excess of the member's yearly contracted salary.

2. Members will be given the opportunity to volunteer for such assignments. If no volunteers are forthcoming, the building principal may then assign staff to such duties. If assigned, a member may trade assignments with another member to find a replacement. It is, however, the responsibility of the assigned person to see that the assignment is fulfilled, and to inform the building principal of the change before the event. Failure to volunteer for such duties shall not be considered a factor in the member's evaluation.

2. When the employee knows that the hours he/she earned will result in a column change on the salary schedule, the employee will notify the District of his/her intent to submit the necessary hours no later than September 1 or the first day of school whichever is later. A licensed member who becomes eligible to move horizontally (a column change) on the salary schedule must present evidence to the Superintendent on or before October 1. When the employee knows that the hours he/she earned will result in a column change on the salary schedule, the employee will notify the District of his/her intent to submit the necessary hours no later than September 1 or the first day of school whichever is later. Licensed staff members moving from one column to another and who have been at the last step on the preceding column will move down one step on the new column.

J. Resignation Requirements.

days notice before a teacher resigns his/her employment with the District. Additionally, notice may be given to TSPC.

III. Classified Employee Benefits

A. Placement of Classified Employees on the Salary Schedule.

1. The wages for employees covered by this Agreement are set forth in the Appendices.
2. Employees who accept a job in a higher paying classification shall be placed on the same step on the higher schedule. Employees who are involuntarily transferred to a lower paying job shall be placed on the step that reflects their seniority in the District. Employees voluntarily placed in a lower paying job shall remain on the same step on the lower salary schedule.
3. Classified members shall be granted a minimum of one (1) year of credit on the salary schedule for each year of related experience outside the District, up to a maximum of four (4) years.

B. Educational Benefits.

1. The District shall pay for the training required for any classified employee to maintain a needed license or certificate as required by the District.
2. **Tuition Reimbursement**
 - a. Each year of this agreement, the District will provide a pool of funds for the professional growth of classified employees in the amount of \$3,000 for each year. Starting with the 2010-2011 school year, each year's pool shall be annually funded with unused funds applied to the certified tuition reimbursement fund for that same year and unexpended funds being returned to the general fund.
 - b. Fees or tuition shall only be reimbursed for pre-approved job-related workshops or coursework; written application for pre-approval must be submitted to the employee's immediate supervisor prior to enrollment in the workshop or course. Determination of whether the workshop or course is "job-related" shall be in the sole discretion of the District. Denial of approval by the applicant's immediate supervisor may be appealed to the Superintendent (or his/her designee).

- c. Tuition Reimbursement – application for reimbursement for courses taken during the fall, winter, spring, or summer terms of school year (from September 1 through August 31) must be submitted to the District Office by October 1. Applications must be accompanied by proper verification of completion of the course work and receipts. Tuition reimbursement is to be distributed no later than October 31. Where the total dollar amount of requested reimbursement exceeds the funds available, reimbursement shall be prorated by the total dollar amount expended.

C. Overtime.

- 1. Classified employees shall be paid time and one-half for all hours over forty (40) per week. The District shall have the option of allowing an employee to take compensatory time at time and a half. (For bus drivers overtime shall be paid at time and half for all hours over forty (40) hours per week.)

D. Reimbursement for Business Expenses.

- 1. The District will reimburse employees for all meals while out of town on District business. Payment shall be the current District rate of reimbursement.

E. Vacation Pay for Full Year Classified Employees.

- 1. Vacation time earned by full year employees who work full time shall be granted as follows:

Continuous years of service	Vacation
1	5
2	7
3-4	10
5-6	12
7	13
8	14
9	15
10	17

Above ten (10) years of continuous employment the employee will receive seventeen (17) days each year.

- 2. "Continuous years of service" for vacation purposes shall be calculated from the member's most recent date of hire by the District.

3. Full-year employees may be allowed to schedule their paid vacation days during a period of time when school is not in session for student instructional purposes, provided, however, that it does not adversely affect the District as determined by the employee's supervisor and the Superintendent. Exceptions may be made with the approval of the Superintendent.
4. Employees may be allowed to accumulate up to twenty (20) vacation days. Employees who, prior to May, 1994, have more than twenty (20) days of vacation leave accumulated shall not lose any of the accumulated days. Once those employees' accumulated vacation days fall below twenty (20) days they may no longer accumulate more than twenty (20) days of vacation.
5. Classified employees who work more than one (1) year, who are terminated, shall be paid for accumulated vacation days not to exceed twenty (20) days.

If an employee has earned and was allowed to accumulate vacation leave in excess of twenty (20) days as per Section E. 4. of this Article and that employee is terminated he/she will be paid for the actual number of vacation days accumulated.

ARTICLE 20 - LAYOFF AND RECALL

I. Teachers

- A. If the Board determines a layoff is necessary, then ORS 342.934 will determine the teachers to be retained.
- B. Members who are laid off shall be eligible for recall to positions for which they are licensed for up to twenty-seven (27) months, under the following conditions:
 - 1. Failure to respond within fourteen (14) days of receipt or return of undeliverable notice to the District of a registered mail notification of recall shall terminate the member's right to recall.
 - 2. Recall shall be based upon seniority and licensure, and may also include considerations of competence or merit. Merit shall be defined as material contained in the personnel file within the past five years.
 - 3. No vacancy in a bargaining unit position shall be filled by hiring a new member until all laid-off members who are licensed for the position have been offered recall to that position.
 - 4. All rights and benefits, including seniority, to which a member was entitled at the time of layoff shall be restored upon recall to employment.
- C. The employment relations between the bargaining unit members and the District shall continue during the period of school closure to the extent described in this paragraph. In the event of a partial or complete school closure due to lack of funds or for other reasons not covered by the provisions of this Article, there shall be no requirement to pay for time not worked or to make up the lost days. During such a closure, the District acknowledges that the bargaining unit members are temporarily laid off rather than dismissed or non-renewed because of a budget failure during the period of any school closure, and agrees to recall, pursuant to the layoff and recall paragraph, members to duty upon obtaining funds sufficient to continue operations, except for programs and personnel terminated by the Board during closure. For programs and personnel terminated during the above closure, the District shall conduct layoffs in accord with paragraph A above.
- D. For the purpose of this Article, the term “competence” shall mean the ability to teach a subject or grade level based upon recent teaching experience related to that subject or grade level within the last five years or educational attainments, or both, but not based solely upon being licensed to teach. The

District may consider a teacher's willingness to undergo additional training or pursue additional education in deciding upon questions of competence.

- E. The authority of the arbitrator to hear grievances pursuant to this Article and to render a final and binding decision shall be limited to questions of procedure as provided in Article 13, Grievance Procedure, and Sections A, B, C, D and E of this Article. The arbitrator shall be barred from making decision on the authority of the Board to order a layoff.

II. **Classified**

- A. Seniority shall be defined as the total length of service as a classified employee within the District from the most recent date of hire. For accounting purposes, all authorized paid leave will be counted towards seniority; authorized, unpaid leaves of absence of thirty (30) days or more will not count towards seniority, but will not break seniority. Classified employees who are laid off and subsequently recalled shall retain cumulative seniority for all periods worked except for the period of layoff.
- B. When a layoff occurs within the bargaining unit, the Association and those employees affected will be notified a minimum of fifteen (15) District workdays before the effective date of the layoff.
- C. Layoff of bargaining unit employees will be based upon seniority, but such layoff will occur by classification. Laid-off employees will not be paid any salary or benefits during the period of layoff. A laid-off employee may, at his/her own expense, continue health insurance coverage for up to eighteen (18) months, subject to the approval of the insurance carrier(s).
- D. A laid-off employee who is qualified for a different classification (within the definition of seniority in Paragraph A), may "bump" an employee in the other classification as long as the following conditions are met:
 - 1. The laid-off employee has greater seniority than the person to be "bumped";
 - 2. The laid-off employee meets all requirements of the job description; and
 - 3. Has had previous experience in the classification he/she is bumping into (i.e. has held the position or substituted in the position for an aggregate of 84 days or held a similar position before either in the District or elsewhere) and has not voluntarily transferred out of the position for disciplinary or performance deficiency purposes.

- E. **Recall.** Recall rights shall exist for eighteen (18) months from the date of layoff. Any laid-off employee not recalled according to this procedure within the eighteen (18) months will be deemed to have resigned in good standing. During the recall period, an employee will no longer be eligible for recall if any of the following occur:
1. Waiver of recall rights in writing;
 2. Resigns;
 3. Fails to accept recall to the position that he held immediately prior to his layoff or to a substitute equivalent position.
- F. Whenever the District determines that a regular vacancy exists within a classification which has experienced a layoff (within the last eighteen (18) months), laid-off employees from that classification or employees who have previously worked in that classification will be recalled in the reverse order of layoff. The recall notice will be sent by certified mail to the last address the District has on record for the laid-off employee.

The laid-off employee will have ten (10) workdays to respond to the recall notice. Failure to respond within the ten (10) days of receipt or return of an undeliverable notice to the District or rejection of any recall notice will cause the laid-off employee to forfeit all recall rights and will be deemed to be a resignation.

- G. If no laid-off employee has responded to the recall by classification, or if no further laid-off employees exist from the classification, all other laid-off employees may apply for the regular vacancy. Such application shall not prejudice the employee's rights to recall in his/her own classification.

For the purpose of administering this Article, and solely for this purpose, "classifications" for layoff shall be the following:

1. Custodians 1, 2;
2. Food service 1, 2;
3. Grounds;
4. Computer specialist;
5. Teacher Assistants 1, 2, 3;
6. Secretaries 1, 2, 3;
7. Maintenance;
8. Bus Driver;
9. Library Technician 1 (Elementary), 2 (Middle School and High School).

A recalled employee shall have seniority and other benefits that were at the time of layoff returned to him/her, but seniority and benefits do not accrue during a period of layoff.

ARTICLE 21 – FAIR SHARE AGREEMENT

- A. The District shall deduct an amount equal to the dues of the Association, including the OEA and NEA dues, each month from the pay of each member who is a non-member of the Association, beginning with the paycheck for the month of October, and remitted monthly as a fair-share fee commensurate with the cost to the Association of collective bargaining and contract maintenance.
- B. Any member who has not requested payroll deduction of Association dues under Article 19, or who has not certified to the District that he/she has paid his/her dues directly to the Association, shall be subject to the provisions of this Article. Such requests for payroll deduction or certification of direct payment of dues shall be made by September 15.
- C. The Association certifies that this Agreement is formally executed pursuant to the approval of the majority of all members in the bargaining unit.
- D. The Association agrees to hold the District harmless in any and all actions brought against the District as a result of performance of its obligations pursuant to this Article.

ARTICLE 22 – ADDITIONAL PROVISIONS

- A. **Association Rights.**
1. Upon request, the District agrees to furnish to the Association public information necessary for its functioning as exclusive bargaining representative. The Association agrees to pay for duplication costs associated with such requests.
 2. The Association shall have the right to use school facilities when such facilities are not otherwise in use. The Association will pay for whatever materials it uses.
 3. The District agrees to allow the Association the right to use interschool mail facilities, school mail boxes, (subject to Federal Postal Service regulations and orders), and the e-mail system, as long as: (1) the message is clearly identified as from the Association and (2) the use does not violate federal or state statutes and regulations or the District's acceptable use policy.
- B. **Strike/Work Action.** The Association and members of the bargaining unit, as individuals or as a group, will not initiate, cause or participate or join in any strike, work stoppage, slow down, picketing or any other restriction of work during the term of this Agreement as a result of any dispute between the District and the Association. The Association recognizes and agrees that disciplinary action, including discharge, may be taken by the District against any employee or employees who knowingly engaged in a violation of the provisions of this Article. Members of the bargaining unit agree that they will not honor any picket line established by the Association or by another labor organization during the life of this contract.
- C. **No Lockout.** The District shall not permit or authorize any lockout of members of the bargaining unit during the term of this Agreement as a result of any dispute between the District and the Association.
- D. **Funding.** The parties recognize that revenue needed to fund the compensation provided by this Agreement must be approved by established budget procedures. All such compensation is therefore contingent upon sources of revenue. The District has no intention of reducing the compensation specified in this Agreement because of budgetary limitations, but cannot and does not guarantee any level of employment in the bargaining unit covered by this Agreement. The District agrees to include in its budget requests amounts sufficient to fund the compensation provided by this Agreement but makes no guarantee as to passage of such budget requests.
- E. **Savings Clause.** If any provision of this Agreement is held to be invalid by operation of law or by any tribunal of competent jurisdiction, or if compliance

with, or enforcement of, any provision should be restrained by any such tribunal, the remainder of the Agreement shall not be affected thereby and, upon the request of either the District or the Association, the parties shall enter into negotiations for the purpose of attempting to arrive at a mutually satisfactory replacement for such provisions.

- F. **Compliance Between Individual Contract and Agreement.** Any individual contract between the District and an individual member heretofore or hereafter executed shall be subject to and consistent with the terms and conditions of this Agreement. If an individual contract contains any language inconsistent with this Agreement, this Agreement, during its duration, shall be controlling.

ARTICLE 23 – JOB SITE STUDENT MENTORING PROGRAM

The purpose of this Article is to allow the District to implement a program for students in conjunction with the Association and selected classified employees for the purpose of on the job training.

The following stipulations shall govern the program:

- A. The program shall be limited to ten (10) students at any one time.
- B. Employee participation is voluntary. Employees shall not be required to participate and may cancel participation in nonemergency situations with one (1) week's notice to the District. In emergency situations which require the immediate removal of the participating student the employee shall immediately notify his/her building supervisor of the termination and the reasons thereof.
- C. No student shall be placed in a classification where a reduction in force or reduction in hours has taken place within the classification until that reduction has been restored.
- D. The mentor and the teacher responsible for the student's program shall jointly develop an appropriate program for each individual student.
